INVESTMENT OBJECTIVE AND STRATEGIES

The investment objective of Portland Focused Plus Fund (the "Trust") is to achieve, over the long term, preservation of capital and a satisfactory return.

To achieve this investment objective, the Trust will employ the following core techniques:

1. focused investing in a limited number of long securities positions; and
2. leverage by purchasing securities on margin.

The Trust has no geographic, industry sector, asset class or market capitalization restrictions and there is no restriction on the percentage of the Net Asset Value of the Trust which may be invested in the securities of a single issuer.

* The S&P 500 Index is shown in U.S. dollars rather than in Canadian dollars since the Trust generally hedges its exposure to the U.S. dollar.

¹ Generally available through dealers who have entered into a Portland Series F Dealer Agreement.

² Accredited Investors as defined under National Instrument 45-106.

³ For investors who are not Accredited Investors, the additional investment must be in an amount that is not less than \$500 if the investor initially acquired Units for an acquisition cost of not less than \$150,000 and, at the time of the additional investment, the Units then held by the investor have an acquisition cost or a net asset value equal to at least \$150,000, or another exemption is available. The PORTLAND FOCUSED PLUS FUND (the "Trust") is not publicly offered. It is only available under Offering Memorandum and other exemptions to investors who meet certain eligibility or minimum purchase requirements such as "accredited investors". Information herein pertaining to the Trust is solely for the purpose of providing information and is not to be construed as a public offering in any jurisdiction of Canada. The offering of Units of the Trust is made pursuant to an Offering Memorandum and the information contained herein is a summary only and is qualified by the more detailed information in the Offering Memorandum.

Commissions, trailing commissions, management fees and expenses all may be associated with investments. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and does not take into account sales, redemptions, distributions or optional charges or income taxes payable by any securityholder in respect of a participating fund that would have reduced returns. Funds are not guaranteed, their values change frequently and past performance may not be repeated.
