PORTLAND PRIVATE INCOME FUND to invest in BROOKFIELD SUPER-CORE INFRASTRUCTURE PARTNERS

BURLINGTON, ONTARIO – January 21, 2019: Portland Investment Counsel Inc. (“Portland”) is pleased to announce a new relationship with Brookfield Asset Management Inc. (“Brookfield”), one of the largest global infrastructure investors and operators with over \$100 billion of infrastructure assets under management. Portland Private Income Fund, an investment fund managed by Portland, has initiated an investment in Brookfield Super-Core Infrastructure Partners managed by Brookfield.

Chris Wain-Lowe, Chief Investment Officer of Portland stated “We are happy to initiate this relationship with Brookfield. I understand Brookfield Super-Core Infrastructure Partners had a successful first close and is to invest in high-quality core infrastructure assets in developed countries. I believe Brookfield is one of the world’s largest specialized investors in infrastructure with a long and successful history of investment. Brookfield’s distinct owner-operator perspective has resulted in a strong organizational emphasis on capital preservation. Brookfield’s team approach embracing more than 200 infrastructure professionals globally and supported by extensive resources, embraces the framework and approach we respect and over time should be a welcome component within the Portland Private Income Fund.”
