

### **Tony Cheung**

#### Chief Financial Officer

---

Tony has over 29 years of experience as a Chief Financial Officer (CFO) and Controller, working across Europe, Asia, and North America. He has held significant roles in Group Controllershship, bringing strong business acumen and extensive expertise in process controls and audit from his years in public audit practice. His career includes leadership positions in financial technology, where he successfully oversaw financial operations, implemented cost control measures, and ensured compliance across multiple regions. Tony's diverse experience also includes consulting for a CFO & Controllershship Division of a leading Professional Services Firm and serving as a Senior Audit Manager at a Big 4 firm in Hong Kong.

Tony graduated from a university in Scotland with a Bachelor's degree in Accounting and Business Finance in 1996. He earned his Chartered Accountant qualification in 2001 and became a Certified Public Accountant in Ontario in 2023.
